JOSHUA PRAYS FOR SUN TO STAND STILL (JOSHUA 10:1-43)

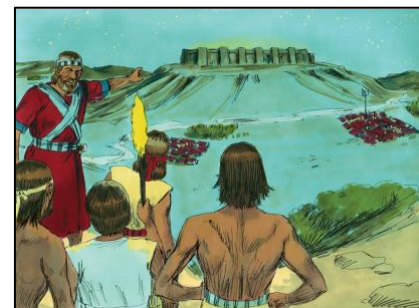

The Bible says that Joshua and the Israelites were conquering the nations that lived in the Promised Land. The Gibeonites had made a treaty with Joshua. They were now workers for the Israelites.

The leaders of the Canaanite tribes made a plan to combine their armies and attack Gibeon.

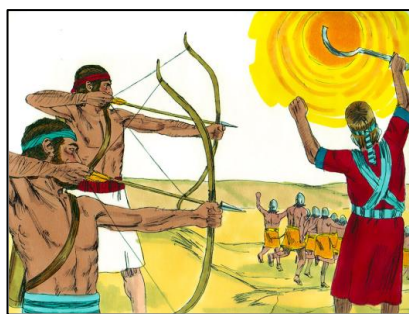

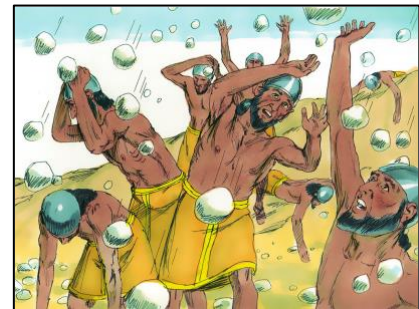

The men of Gibeon sent messengers to Joshua. "All the Amorite kings have joined forces to attack us. Please help us!" they pleaded.

Joshua and his army marched to the city of Gibeon. God told Joshua, "Don't be afraid. I have given you victory over the Amorite kings."

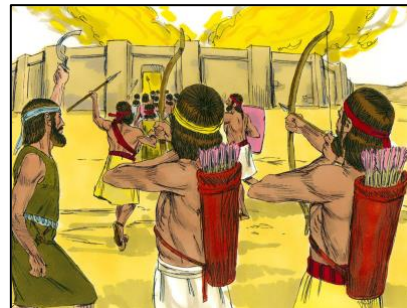

That night the Israelites took the Amorite armies by surprise. God sent a terrible hailstorm. The hail killed more of the enemy than the Israelites killed with the sword.

Joshua needed daylight to destroy the enemies. So, he prayed to the Lord in front of all the people of Israel. "Let the sun and moon stand still over Gibeon." God answered Joshua's prayer. The sun stayed in the middle of the sky, and did not set as on a normal day. What an amazing display of God's power!

Joshua's army captured the Amorite cities.

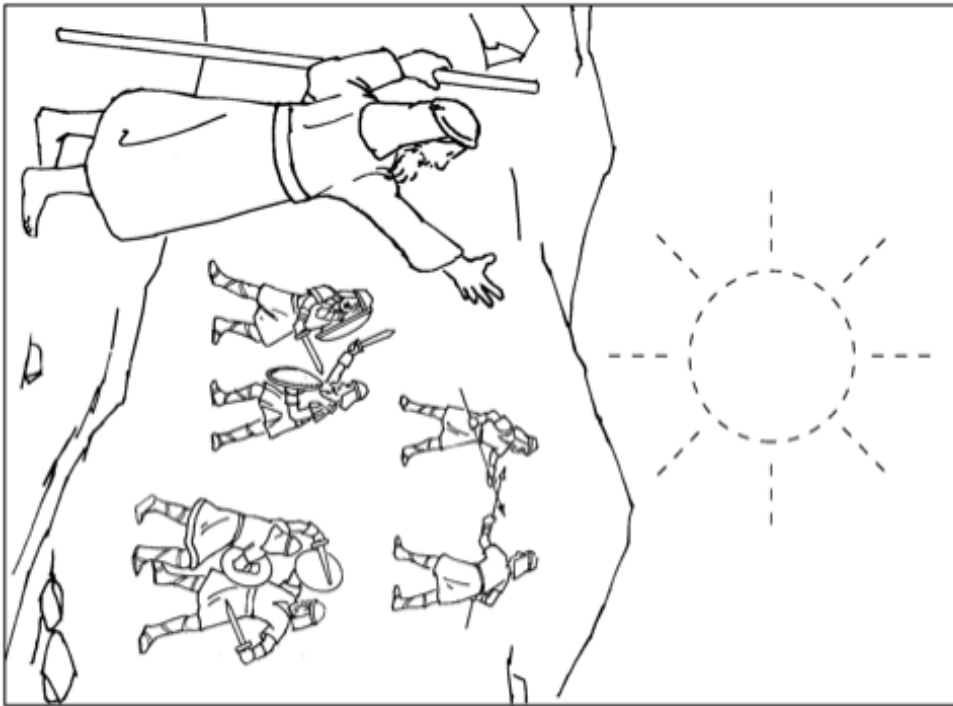

God helped Joshua to win the battle against the Canaanite kings! God helped Joshua by showing He controlled the sun and moon!

**God helps us too...
in ways we can't even understand!**

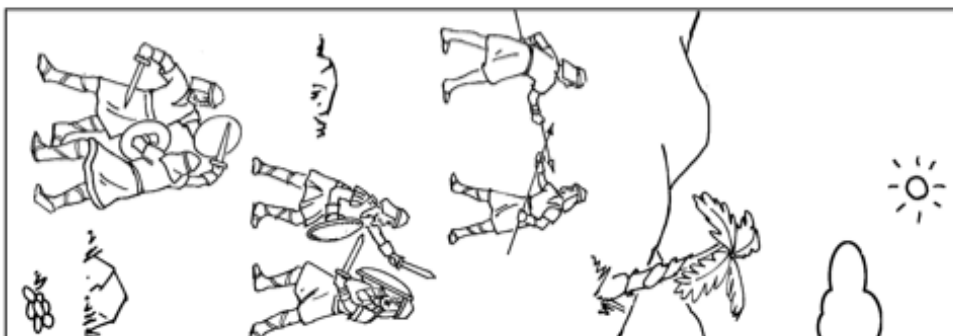

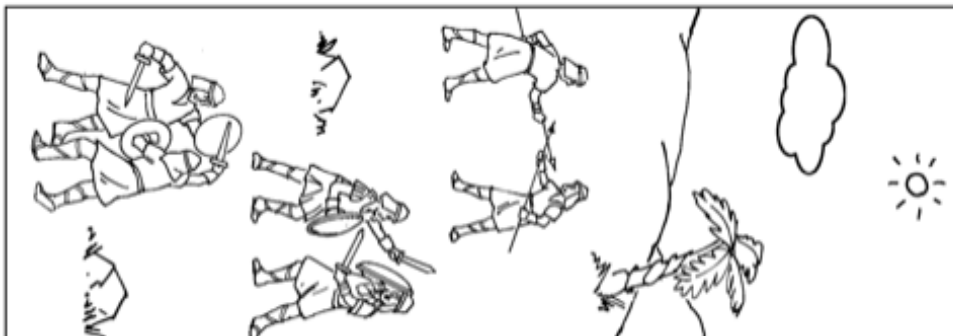

Joshua asked God
to make the sun stand still.

Trace the sun in the middle of the sky.

God made the sun stand still for a day.
