SERMON ON MOUNT (PART 5) TREASURES, DON'T WORRY & A HOUSE ON THE ROCK (MATT 6:19-34; 7:13-27)

The Bible says that when Jesus was teaching his Sermon on the Mount he talked about **treasure**. Sometimes people think too much about getting earthly treasures. But nothing in this world lasts forever.

Things can break or get lost or even stolen. Jesus said, "Do not lay up treasures upon earth, where moth and rust destroy, and where thieves break in and steal; but lay up treasures in heaven." Treasures in heaven last forever! Which treasures do you love the most? Jesus said, "Where your treasure is, there will your heart be also."

Jesus said, "No one can serve two masters... You can't serve God and money." Jesus wasn't just talking about money. He was talking about loving things of this world – like trophies or toys, or even loving to play too much. **Nothing should be more important to us than loving and serving God.**

Jesus also said, "**Don't worry!**" Look at the birds in the sky. They don't worry. God feeds them. Aren't you more valuable than the birds? Don't worry - God will give us what we need.

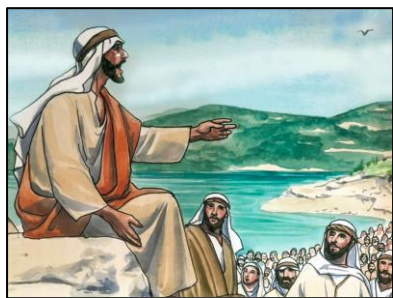

And look at the flowers – they don't work. But God makes them more beautiful than the fancy clothes of King Solomon. God even takes care of the grass which is here today and gone tomorrow.

Don't be like worldly people who care too much about worldly things. Don't worry - God knows what you need.

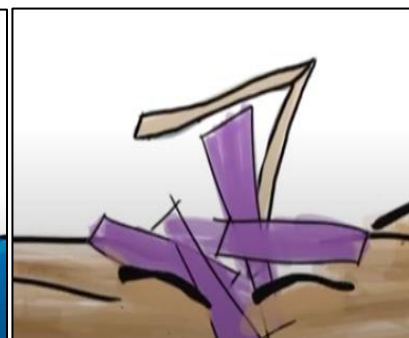

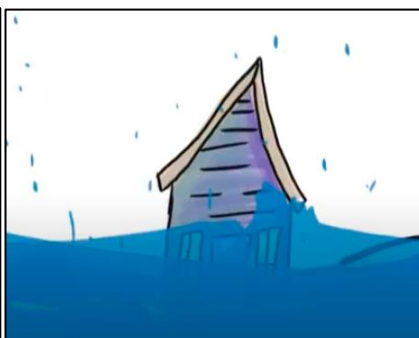

“But seek first His kingdom and His righteousness; and all these things shall be added to you.”

Jesus went on to say, “Everyone who hears these words and **does** them is like a wise man who built his house upon a rock.” When the rain and floods came... the house on the rock stood firm.

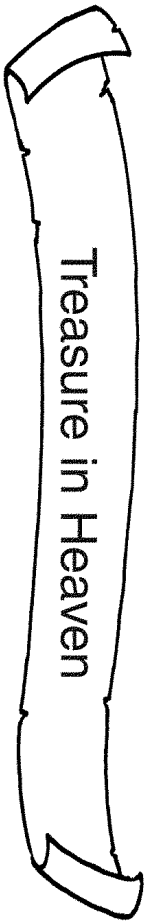

But the one who doesn't live by my words is like the foolish man who built his house on the sand. The rain and floods came... and the house on the sand fell.

Jesus wasn't talking about houses or weather. He was showing us that we should live God's way. Then we will have a good life, even if hard times come. But if we live our own way, there will be consequences. When hard times come it will feel like our life is falling apart.

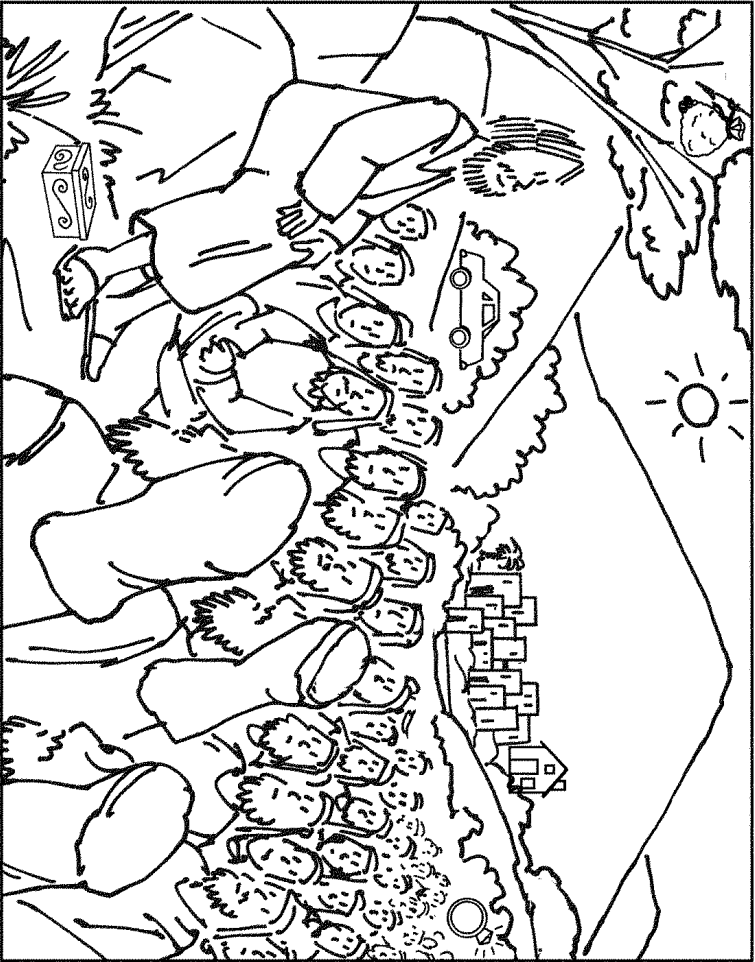

Following Jesus is not just a good life... it is the BEST life!

Jesus taught the people, "Do not store treasures on earth."
