

GET WISDOM! Lesson 3:

BE WISE! IT MIGHT LOOK GOOD, BUT ASK GOD IF YOU SHOULD
(Proverbs 3:5 & 7; 12:15)

PROVERBS 3:5-7

**⁵“Trust in the Lord with all your heart
and lean not on your own understanding;**

⁷Do not be wise in your own eyes...

THINK ABOUT THIS!

We need to **trust God** with all our heart! God is all powerful and He knows everything. **We should not depend on our own ideas.** We don't know everything. But God does! If He tells us to do something, we should TRUST GOD and DO IT!

These Bible heroes trusted God's plan
even when they didn't understand.

We should TRUST GOD and DO IT!
But a foolish person thinks *he's* right.
He doesn't listen to God.

Proverbs 12:15
"The way of fools seems
right to them, but the
wise listen to advice."

TRUST GOD!

Susie was walking home from school on a hot day and noticed that there was a car following her. They were driving slowly and seemed to be looking for something. They said they were looking for their dog and asked Susie if she would help find him. They seemed to really be worried about their dog. They had a water bottle they would give to Susie if she would help them. The people seemed nice.

It seemed like it might be ok to help them. But Susie remembered that her parents had told her not to talk to strangers or accept anything from them. She had just learned in Bible class that God wants us to listen to our parents' advice.

Even though Susie thought it would be ok to help find the dog, she didn't. She trusted her parents and she trusted God too. She hurried on home.

TALK ABOUT IT:

- Did Susie follow her parents' advice?
- Did Susie do the right thing?
- How does this show TRUST in God?
