

ANIMALS SHOW GOD'S HANDIWORK

"But ask the animals, and they will teach you,
or the birds in the sky, and they will tell you;
⁸ or speak to the earth, and it will teach you,
or let the fish in the sea inform you.
⁹ Which of all these does not know
that the hand of the Lord has done this?
¹⁰ In his hand is the life of every creature
and the breath of all mankind.

(Job 12:7-10)

The Human Eyeball Must Have Been Designed!

<https://youtu.be/kboUBQnMP8w>

"Be Grateful for the Intelligent Design of Your Eyes" by Discovery Science (9:19)

The human eye needs 40
subsystems working together
and in harmony.

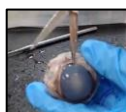

The pieces couldn't be added a little
at a time. It's complex and all works
together or we would be blind.

What did Darwin say about the eye?

"To suppose that the eye, with all its... [complex systems] could have been formed by natural selection, seems, I freely confess, absurd in the highest possible degree."

Materialistic Evolutionists admit, "The eye lens is 'exquisitely well-designed to do its job... but no designer ever articulated it.' They always say... it looks like was designed... but since there is no God, no one designed it. It happened by random chance.
