Lesson 2: MOSES - PRINCE AND SHEPHERD (Exodus 2:11-23)

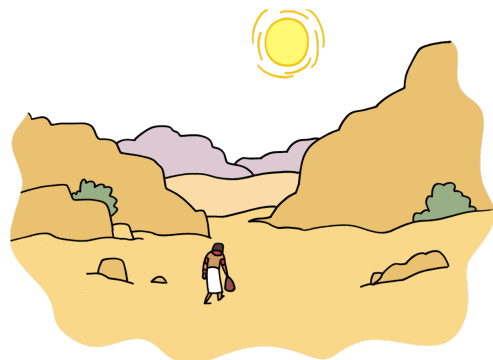

The Bible says that Moses was a Hebrew. But he grew up as a Prince in Egypt. One day he watched his people, the Hebrews, working hard as slaves. He was sad about the way his people were being treated.

Moses saw an Egyptian beating a Hebrew. He looked around. No one was watching him. So, Moses killed the Egyptian. He buried the dead man's body in the sand.

The next day Moses saw 2 Hebrews fighting each other and went to stop them. They said, "Are you going to kill us like you killed the Egyptian yesterday?"

When Pharaoh found out about the murder, he gave orders to kill Moses. So, Moses ran away. He went to the far-away wilderness of Midian.

Moses rested by a well in Midian

7 sisters came to draw water from the well for their father's sheep. Some shepherds arrived and pushed the woman away so they could get water for their flocks first.

But Moses got up, came to their rescue and watered the women's flocks.

The girls went home and told their father Jethro that an Egyptian man had helped them. Jethro invited Moses to come to their home to eat. He even asked Moses to stay and live in their home

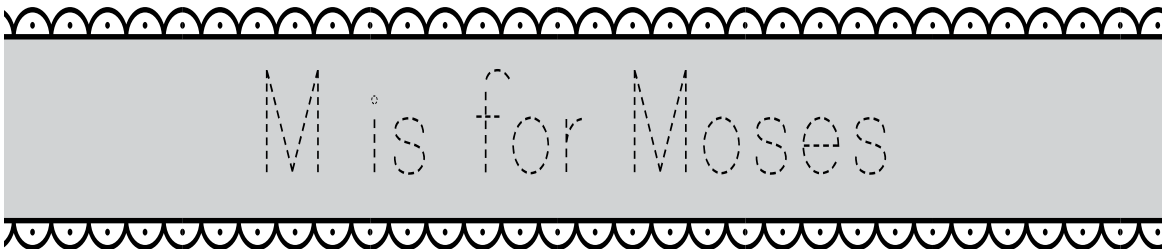

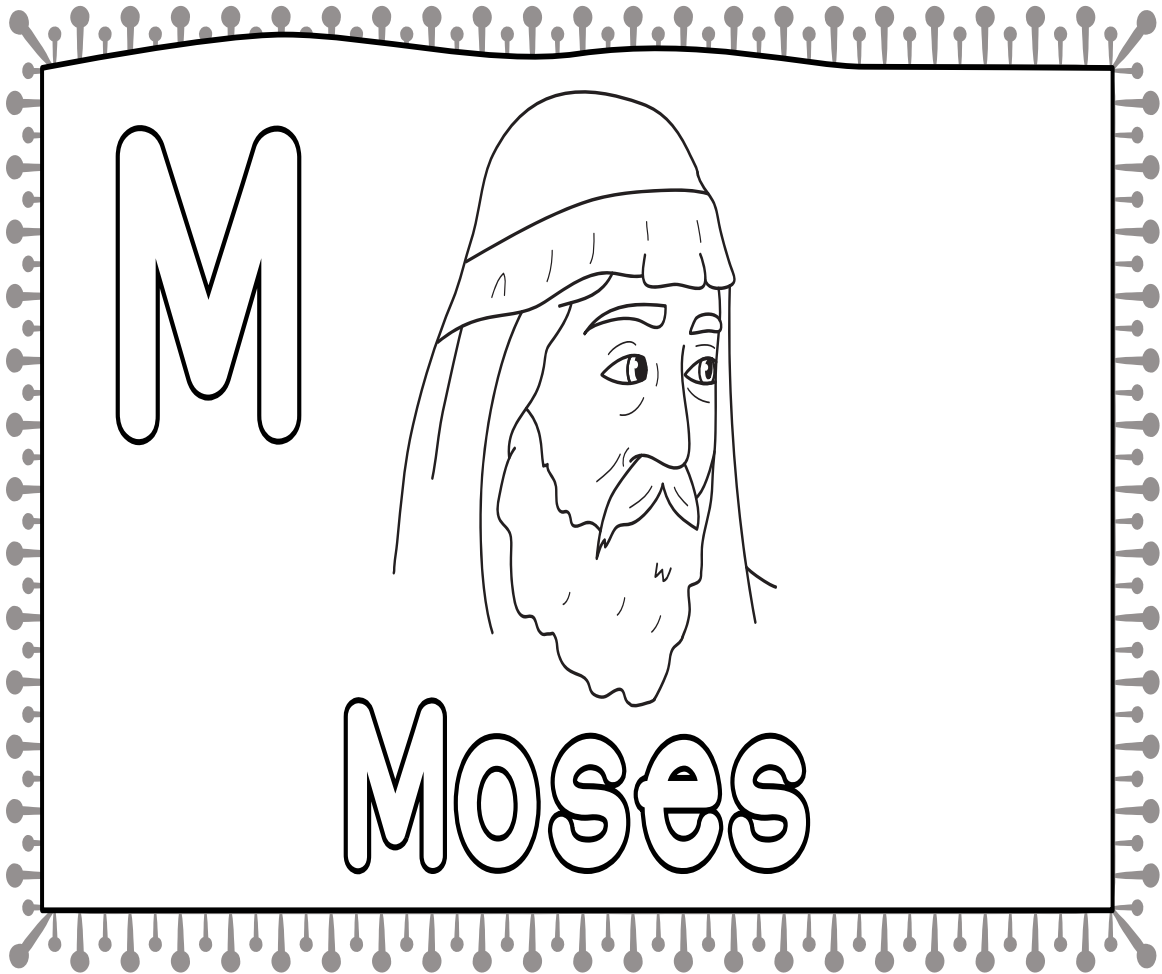

Later Moses married Zipporah, one of Jethro's daughters. They had a son named Gershom. For 40 years Moses lived in the land of Midian taking care of Jethro's sheep.

Even though Moses had to run for his life, **God took care of him.** Moses wasn't a Prince of Egypt anymore, but **God gave him a new family and made him a shepherd.** The Bible tells us much more... **God has great plans for Moses!**
