(3:18) Jesus Walks on Water
by Sharefaithkids

Lesson #2: JESUS WALKS ON WATER (Mark 6:30-44, Matthew 14:15-21)

The Bible says that after Jesus fed the 5000, Jesus told his disciples to get on a boat and cross the Sea of Galilee. Jesus told them, "I will see you later."

The disciples got on a boat and set out on the Sea of Galilee. Jesus went up on a mountain so he could be alone to pray. Jesus wanted to talk to His Father.

A violent storm arose on the lake. The wind blew fiercely and the disciples rowed and rowed but they couldn't get to the other side of the lake.

They rowed for many hours, but they couldn't steer the boat. The disciples became very frightened.

Jesus decided to go to the disciples. He didn't have a boat, so Jesus walked on the water towards the disciples' boat. The waves crashed all around him, but Jesus walked calmly.

The disciples looked out and saw someone walking on the water. They were afraid. They thought it was a ghost.

Jesus said, "Don't be afraid. It's me." Peter said, "Lord, if it is you, tell me to come to you on the water. "Come," Jesus said.

Then Peter got down out of the boat. Peter walked on the water! He walked toward Jesus.

But then Peter looked away from Jesus and looked at the wind and waves. Peter became afraid and began to sink. He cried out, "Lord, save me!"

Jesus reached out his hand and caught Peter. He pulled Peter up and helped him get back into the boat. Jesus said, "Why do you have such little faith? Why did you doubt?"

When Jesus climbed into the boat, the wind died down. The sea became calm. Then those who were in the boat worshiped Jesus.

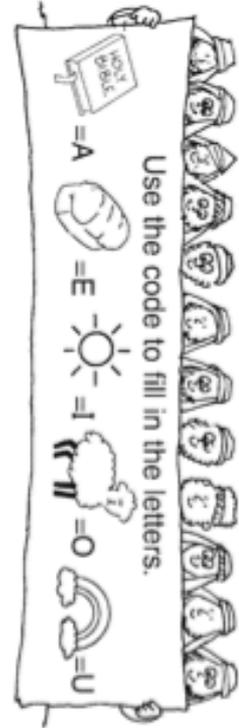

They said, "Truly you are the Son of God."

I want to always keep my eye on Jesus, the Son of God! He will help me, like He helped Peter!

PRIMARY GRADES ACTIVITIES

Jesus and Peter got into the boat.
The storm calmed down.
The disciples worshiped Jesus.

Use the code to fill in the letters.

"TR _____ LY _____ Y _____"

_____ R _____ TH _____

S _____ N _____ F _____

G _____ D!"

Peter walked on the water to Jesus.

Connect the footprints in order.
